A Wholly Owned Company of

WOKINGHAM
BOROUGH COUNCIL

Welcome to our **Annual Report to Residents** 2023

This report provides essential information for you, our residents, on our performance for the financial year 2022/23. We also want to let you know what we are doing in 2024 to address the issues that matter to you.

The current economic climate and national focus on housing has impacted both households and their landlords. This report highlights our commitment to creating thriving communities, by delivering good quality, sustainable housing to the residents who make them their homes.

We also remain committed to providing safe and supportive accommodation for residents with more specialist housing needs, working closely with Wokingham Borough Council and our partner care providers.

One of the best ways we can improve our services is through resident engagement and interaction. We want to encourage and increase resident involvement and will be creating more opportunities for our residents to become involved in what we do over the coming year. We see the sharing of information about your home and the area where you live as an essential part of our commitment to residents, and our Annual Report forms a vital part of this commitment.

We were delighted to be able to bring back our Community Fun Days in 2023 and will be hosting more in 2024, providing a unique opportunity to meet our residents face to face.

Please follow us on social media to find out more. If you would like more information about Loddon Homes' performance, or want to ask us a question, please feel free to contact us at hello@loddonhomes.co.uk or visit our website loddonhomes.co.uk.

Message from the Chair

2022/23 was my first year as Chair of the Loddon Homes Board. During this time, I saw the organisation restore many services and functions that had been impacted or ceased entirely because of the pandemic. Loddon Homes then reacted again as both our customers and the organisation were faced with a cost-of-living crisis. Our residents' needs are considered on all occasions: service charges aren't set without first assessing the impact, maintenance and servicing contracts aren't renewed without first ensuring that value for money is being achieved, and safety and compliance are not compromised at any cost. Whilst we may not get it 100% right 100% of the time, I can attest to the continued commitment of the Loddon Homes team to delivering good quality housing for a cross section of the Borough's community.

Whilst this report outlines details of the management services provided in financial year 2022/23, it is during the subsequent 12 months where every effort has been made to reinvest in our housing, identify and address long term resident issues, and improve service contract arrangements, as well as getting back out into our communities so that we can really get to know our customers.

I am incredibly proud of what we have achieved and would like to particularly thank members of the Board, the dedicated staff team, colleagues at Wokingham Borough Council, and our partner care providers and contractors who have worked diligently together to not only maintain the excellence achieved in our management information, but to also make improvements where it was clear that change needed to happen.

Meet the Team

Any of the **Loddon Homes** team can be contacted at hello@loddonhomes.co.uk

Simon Dale
MANAGING DIRECTOR

Simon is the boss! He has many years' experience in housing which he puts to good use directing our business strategy and growth, making sure that Loddon Homes is a well-run organisation. Simon is a keen golfer and amateur actor.

Karen Howick
HEAD OF OPERATIONS

Karen is the problem solver of the team, making sure that our operations run smoothly and effectively. She's worked for Loddon Homes the longest, so knows our stock inside out. Karen loves fitness and the cinema.

Tracy Garner
SERVICE IMPROVEMENT OFFICER

Tracy wants to get things right for our residents! Her focus is on improving the customer experience, giving our residents a voice so they are heard. She also makes sure we meet our regulatory commitments. Tracy has a pet pooch named Lazlo who keeps her company on long walks.

Amy Griffiths
SERVICE & COMPLIANCE OFFICER

Amy makes sure we are a good landlord! Her day to day includes ensuring we meet all legal responsibilities so our properties are safe for residents, and the information we present is accurate and thorough. Amy can often be found swimming outdoors even in the coldest months of the year.

Camille Dell
BUSINESS SUPPORT ASSISTANT

Camille is the newest member of the team, and fills the gaps whenever we need help. She's currently working to make sure all our repairs are satisfactory, as well as ensuring that our Board meetings run smoothly. Outside of work Camille loves photography, reading and musicals.

Michele Johnson
WOKINGHAM
BOROUGH
COUNCIL'S
DEDICATED HOUSING
OFFICER FOR LODDON
HOMES RESIDENTS

Michele is our residents' go-to person for every day questions and queries about their tenancy or rent. As well as looking after our residents, she is also our eyes and ears out and about in our communities, making sure the grounds and communal areas are as they should be, and is always happy to drop in to see any resident who needs her assistance. Outside work, Michele loves walking with her dog, Lexi, and volunteers at her local Youth Club.

Michele can be contacted at

Support for those in financial hardship

The ongoing cost of living crisis means many people continue to experience, or are facing for the first time, financial hardship. Whatever your circumstances, if you are struggling with your household bills, support is available if you need it.

Wokingham Borough Council has a dedicated **Cost of Living Help Hub** which can be accessed on its website:

wokingham.gov.uk/cost-of-living

Visit the UK government's website for information about cost of living payments:

Where we have made improvements

Grounds maintenance Whilst we met **100%** of our target grounds maintenance visits, a review of the service and listening to residents' opinions told us that in some locations, it was not keeping up with the needs of the landscaping. In light of this, we put in place a personalised approach to make sure that grounds maintenance now meets the needs of each individual site.

Communal cleaning We're pleased to report that we met **100%** of our target communal area cleans. However, thanks to resident feedback and our regular site visits we found that in some places, the standard was not quite what would expect so we have been working closely with our cleaning contractor and we're pleased to report that there has been a general increase in the quality of the cleaning.

Where we are working to make improvements:

Repairs and maintenance

71% satisfaction with repairs against a target of 95%. As a landlord Loddon Homes has high expectations when it comes to our residents' satisfaction with repairs, so a 71% satisfaction score is disappointing for ourselves and for our residents. In light of this score, we have worked hard with our contracting partners to resolve any long-term building defects and where necessary have taken steps to put things right ourselves. We also continue to work in partnership with Wokingham and Reading Borough Councils to find out why residents may be dissatisfied with the service that is being provided. We will also be working more closely with our residents over the coming months to gather views on the repairs service.

Resident engagement

Whilst Loddon Homes provides the house, it's our residents who create a home. That's why your thoughts and opinions are so important; you play a key role in helping us to build on the things that we do well, and develop the areas where we can do better.

We believe that by involving you in decisions that affect your homes and neighbourhoods, we can make sure we are delivering services that meet your needs.

There are a range of opportunities for you to give feedback, scrutinise our performance, challenge our decisions, and share ideas to help influence and improve services for everyone. **We are currently recruiting a new RESIDENT BOARD MEMBER**, details of which can be found in the attached leaflet. If you have any questions or would like more information about this role, or for more information on becoming an involved resident, contact us directly at hello@loddonhomes.co.uk

Supported living

Over 50% of our properties offer specialist supported living, through a diverse mix of housing, including accommodation for older people, adults with physical and learning disabilities, young people leaving care, people leaving hospital settings, people with a history of rough sleeping, and adults with mental health conditions.

This is all made possible through the relationships we have with our care providers, our residents and their support networks. Specialist supported housing is a core part of our business and ensures the continued provision of housing for vulnerable people within the Borough.

Social Housing Regulation Act

The UK government's **Social Housing Regulation Act** is set to increase social housing tenants' rights to better and safer homes and enhance their ability to hold social landlords to account.

The Act received royal assent on 20 July 2023, so it is now law, but many provisions need regulations before they can come into force. These are expected to be published in 2024. In order to empower social housing tenants to hold their landlords to account, a new government funded training scheme is available, providing **free training events for residents**, webinars, videos, and guidance for social housing residents. You can find out more here: **fourmillionhomes.org**

Complaints handling process

Our procedure for dealing with complaints, which was updated in 2021, has two stages, each allowing complainants to take the matter further if they are unhappy with the outcome. Complainants also now have the right to involve the Housing Ombudsman at any stage of the complaints process.

The Housing Ombudsman expects landlords to carry out regular self-assessment of their complaints process and to take appropriate action to ensure their complaint handling is in line with the Code. We will be reviewing our process in the coming months as a result of further guidance from the Housing Ombudsman.. Landlords are also expected to report the outcome of their self-assessment to their Board members and to make the assessment available to the public. You can read our most recent self-assessment on our website.

Our future plans

Lifetime tenancies

Some of our residents have told us they feel that having a fixed term tenancy does not give them the security they would like in their home, and that it's hard to feel settled knowing they will have to renew their tenancy in a few years' time.

We think everyone should feel secure and settled in their home without having to worry about whether their tenancy will come to an end every five years. During 2024 we will be consulting with our tenants on this with a view to transition all fixed tenancies to assured periodic (also known as 'lifetime') tenancies. Look out for your invitation to take part in the consultation which will be coming to you soon.

Rent increases

You will have received a letter earlier in the year letting you know about your increased rent for the coming year from 1 April 2024.

In line with Government guidance, we are increasing rents for our social and affordable rented homes by **7.7%** and for our shared owners by **9.4%**. Like most other housing associations, we've decided to do this so that we can spend more on our existing homes, services and communities, as well as invest in more much-needed homes.

We understand that times are tough for many people. If you think you will struggle with your new rent, please don't suffer in silence - get in touch and we'll do whatever we can to help, from signposting you to organisations who can help, to giving you advice on a range of benefits, debt and money management, and energy-saving advice. **Contact us at hello@loddonhomes.co.uk or your housing officer, Michele Johnson, at loddonhomes@wokingham.gov.uk or by phone on 07562 169337.
